Suggested packages

Stay at the newly renovated "Spirit of Hven, Backafallsbyn" – Ven's own conference centre. The centre has a total of eight conference venues, all modern and well-equipped. The well-reputed gourmet kitchen offer dishes inspired by marvellous local produce. In the spring of 2008 "Spirit of Hven, Backafallsbyn" also opened its own whisky distillery.

Guided tours of the distillery are a much appreciated event. Also we can offer guided tours of the island and the Tycho Brahe Monuments. Tours are available in several variants, themes, and languages. In addition we arrange medieval skittles, quiz walks, and competitions. We can also arrange catering in the museum. This gives a beautiful and exciting experience in the former church that has now become the Tycho Brahe Museum.
